Guiding Principles

Fulfill our mission as a Catholic Faith community by providing space and scheduling time for ministries and programs that meet the needs of our parishioners and allow us to be of service to others.

Repair and upgrade all church and campus structures to improve safety and efficiency and to better accommodate the elderly and disabled.

Reorganize, upgrade and modernize school structures, classrooms, sports facilities and space to meet the needs of students and faculty so that St. Rita remains academically and physically competitive for future decades.

Make the parish campus and its ministries relevant, practical, and effective for the parishioners and the community it serves while honoring its past and preserving its character and heritage.

New St. Rita Pastoral Meeting Center and Youth Center
