Parent Permission Slip

Parent Signature Required

Dear Parents:

The Archdiocese of Los Angeles is committed to maintaining compliance with the US Bishop's Charter for the Protection of Children and young people. In light of this, the *VIRTUS Safety Program for Children* was adopted in September, 2006. All faculty, staff and volunteers must be VIRTUS certified and fingerprinted. Additionally, children are offered the opportunity to attend two sessions of the *VIRTUS Safe Environment* classroom instruction. Please note that this is not a sex education program, but a program that emphasizes the importance of stranger safety.

Please check one:

___ I give permission for my child(ren) to participate in the *Virtus Safe Environment* classroom instruction.
